PROFESSIONAL SUMMARY

Java Full Stack Developer skilled in Java, Spring Boot, Angular, REST APIs, Spring Security, JWT, and MySQL, with experience building secure and scalable web applications. Strong foundation in DSA, OOP, database design, and API development, with hands-on experience developing responsive, maintainable full-stack applications.

TECHNICAL SKILLS

Programming Languages: Java, JavaScript, SQL

Frameworks: Angular.js, Springboot, Spring Security, Spring Data JPA, Hibernate, JWT, REST APIs

UI and Layout: HTML5, CSS3, Tailwind CSS, Bootstrap CSS, SCSS

Databases: MYSQL

Core Concepts: OOP, Collections, Exception Handling, Multithreading (basic), Microservices (basic understanding)

Soft Skills: Troubleshooting, Analytical Thinking, Communication Collaboration

Tools: VS Code, IntelliJ IDEA, Postman, Git, Maven, GitHub

WORK EXPERIENCE

Frontend Developer Intern

Tann Mann Foundation, remote

June 2026 - Present

- Developed 10+ reusable Angular standalone components, reducing duplicate UI code by 30%.
- Built reactive user interfaces using RxJS and Angular Signals, managing asynchronous data flows and real-time state updates efficiently.
- Enhanced application performance with lazy loading, optimized change detection, and route-level code splitting for faster page loads.
- Integrated secure REST APIs with Angular HttpClient, JWT authentication, HTTP interceptors, and centralized error handling for reliable backend communication.

PROJECTS

AgileFlow – Project Management System

Angular 20, TypeScript, Java 17, Spring Boot 3.x, Spring Security, JWT, Hibernate, MySQL June 2026 - Present

- Built a full-stack Jira-inspired project management platform supporting authentication, RBAC, sprint planning, issue tracking, worklogs, notifications, and reporting using Angular 20 and Spring Boot.
- Developed secure REST APIs with DTO mapping, validation, and centralized exception handling.
- Designed a scalable frontend with reusable components and seamless API integration.

EDUCATION

Mass College Of Arts & Science

Kumbakonam, Tamilnadu, India

Master Of Computer Applications

June 2024 - June 2026

CERTIFICATIONS

- **Responsive Web Design (FreeCodeCamp):** Practical knowledge of responsive web design
- **Introduction to Artificial Intelligence (Infosys SpringBoard):** Basics of AI, ML, and LLM
- **Prompt Engineering (Infosys SpringBoard):** Effective AI communication techniques

ACHIEVEMENTS

National Level Technical Meet (1st Place)

Feb 2025

Issued by Annai College of Arts & Science
